Brad Garlinghouse

@bgarlinghouse

We began these reports to voluntarily provide updates given our XRP holdings. Sadly, they were used against us in the SEC lawsuit - however, we remain steadfast in our commitment to transparency but I suspect they're going to look a bit different moving forward

Ripple

@Ripple · Aug 2

The Q2 2023 XRP Markets Report is live—we took a different approach for this quarter and focused on the landmark court ruling, on debunking misconceptions, and on Ripple's XRP holdings.

#Ripple never had to be transparent in the first place since they're a private company. The #XRP market reports have always been a transparent way to build trust in a decentralized industry
